

CONTROL SYSTEMS

Easy-to-use control systems for accurate temperature control.

GENUINE THERMO KING CONTROLLERS

SR4 Controller

THE CONTROLLER IS THE BRAIN OF YOUR THERMO KING UNIT

Thermo King controllers are designed especially for your Thermo King units. Don't trust your business to re-manufacturers—choose Genuine Thermo King.

GENUINE THERMO KING CONTROLLERS

- Genuine OEM quality with all new parts.
- Engineered specifically for Thermo King units.
- Designed to give your Thermo King unit optimal performance and maximum life.
- Highest warranty option for peace-of-mind.
- Designed and compatible with Thermo King's Tracking® telematics. It's easier to get the data you need to meet the food safety requirements of your customers.

GENUINE THERMO KING RELIABILITY

- Backed by the industry-leading warranty.
- Engineered and extensively tested for optimum performance and reliability under extreme conditions.
- Protection you can count on with a nationwide dealer warranty – 36 months on controllers.
